

PALÍSANDRO HILLS

CYPRUS IS A STUNNING ISLAND WITH BEAUTIFUL NATURE AND A RICH HISTORY

The island's warm, sunny weather makes it a great place to live all year-round. Paphos - the most comfortable city to live in - is surrounded by nature reserves and many beaches. There is almost no traffic in the city, making it a relaxing spot for everyone who loves nature and historic sites.

Coral Bay, one of the best areas in the region, has everything you need for a comfortable life, with easy transport links and excellent facilities.

📍 Coral Bay

WHERE NATURE IS YOUR ONLY NEIGHBOR

Pegeia, a charming town, is located in Paphos district. Known as one of the greenest areas in Cyprus, Pegeia offers a peaceful escape from busy city life without losing any convenience. The area combines calm living with easy access to necessary amenities. With the beautiful Coral Bay beach and plenty of places for dining nearby, life in Pegeia is a perfect mix of comfort and nature.

LEGEND OF PALISANDRO

Palisandro, a gifted and passionate sculptor, was captivated by the stunning beauty of the gorgeous valley. In his heart, he knew he had found the perfect canvas for his masterpiece – a collection of luxurious homes that would be built in harmony with nature.

The project is just a short drive from Paphos finest sandy beaches.
The strategic location allows its residents to enjoy a luxurious lifestyle away from the city noise.

PALÍSANDRO HILLS

HARMONY RESIDENCES

At Palisandro Hills, we offer an experience where everything – from the design to the location – is crafted for a high-quality lifestyle close to nature. It's a mix of comfort and style, framed by a remarkable natural beauty.

 17 villas – 4 to 6 bedrooms

 Spacious interiors and covered areas from up to 355 m²

 Adjacent to riverside nature park

 Private gated community

 Huge plots ranging up to 2 400 m²

 Panoramic sea & mountain views

INFINITY POOL

Each villa has its own infinity pool, offering complete privacy while taking in breathtaking views. From the edge of the pool, you can see the valley, mountains and sea, all coming together in a perfect panorama. This setting allows you to enjoy the natural beauty around you from the comfort of your own retreat.

PANORAMIC WINDOWS

The kitchen and living area have double-height ceilings and impressive 6-meter panoramic windows, giving amazing views. This design makes the space feel grand and open. The view is simply stunning.

ONE-OF-A-KIND COMBINATION OF LUXURY AND NATURE

We've collaborated with UHA London and YODEZEEN Miami to create architectural masterpieces that are the villas of Palisandro Hills.

The terraces are beautifully designed with shaded areas, creating a cool space to relax on sunny days. From there, you can enjoy views of your private garden and the large pool area. This connection with nature makes it a perfect spot to appreciate the beauty around you.

INTERIOR VIBES

The concept of the interiors is based on principles of harmony, beauty and comfort. Each villa has a variety of well-planned rooms and spaces, all designed with attention to detail. You'll find separate areas for relaxing, spacious living rooms with stunning views and high-quality finishing materials.

Each villa offers plenty of utility rooms, terraces, dressing rooms and storage spaces. Everything is thoughtfully designed for everyday needs.

LEGEND OF PALISANDRO

Palisandro made a vow to himself. He promised that each house would be furnished and equipped with the finest materials and appliances money could buy. Not a single corner would be overlooked, no detail left to chance. Every element would reflect the commitment to luxury and comfort.

SPACIOUS LIVING ROOM

The double-height living rooms of the Camellia and Olivia villas are designed to provide a sense of freedom and openness, filled with natural light.

LEGEND OF PALISANDRO

But there was a catch - Palisandro decided that this project would be truly unique, showcasing the unmatched beauty of its surroundings. He swore he would never recreate it elsewhere, because no other place could compare to the beauty of this location.

And so, Palisandro Hills came into existence - an exceptional, one-of-a-kind community that perfectly matches luxury with nature.

COURTYARD

Each villa has several private terraces that truly are places of attraction. They're perfect for spending time with your family and friends, whether you want to have quiet conversations or lively parties.

The beautiful BBQ areas are great for cooking, and the ambient lighting makes the terraces look fantastic during the day and especially at night. It's the ideal place for your celebrations and social events.

LEGEND OF PALISANDRO

Today, Palisandro Hills is not just an address, it's a legacy - a place where the beauty of nature meets human creativity, offering a life of unmatched luxury that is deeply connected to its remarkable surroundings.

The villas at Palisandro Hills feels like a part of a natural landscape. Each residence has been designed to minimize its impact on the surrounding environment, featuring energy-efficient technologies and sustainable practices.

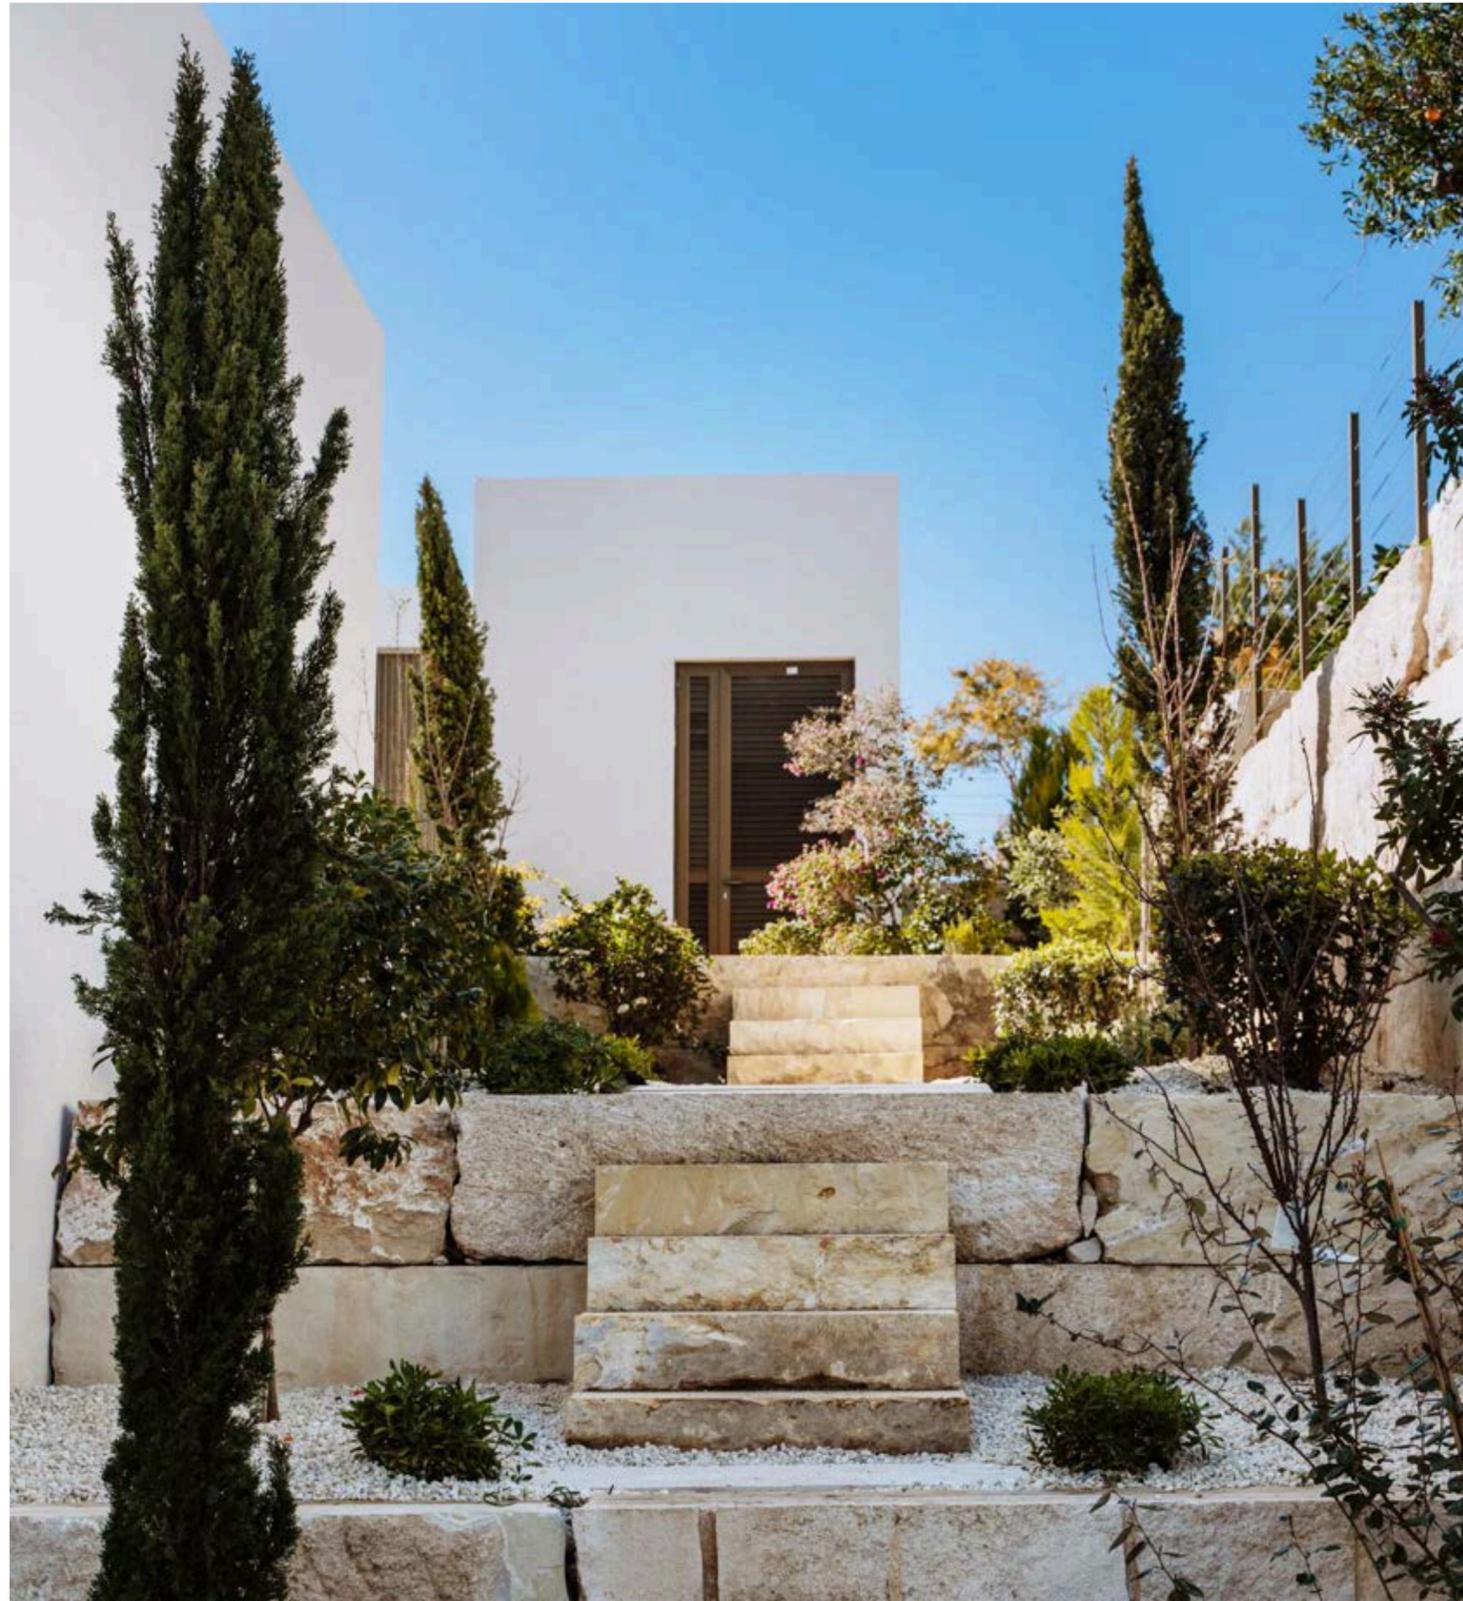

The result is a living environment that is as eco-friendly as it is luxurious.

INEX LOUNGE

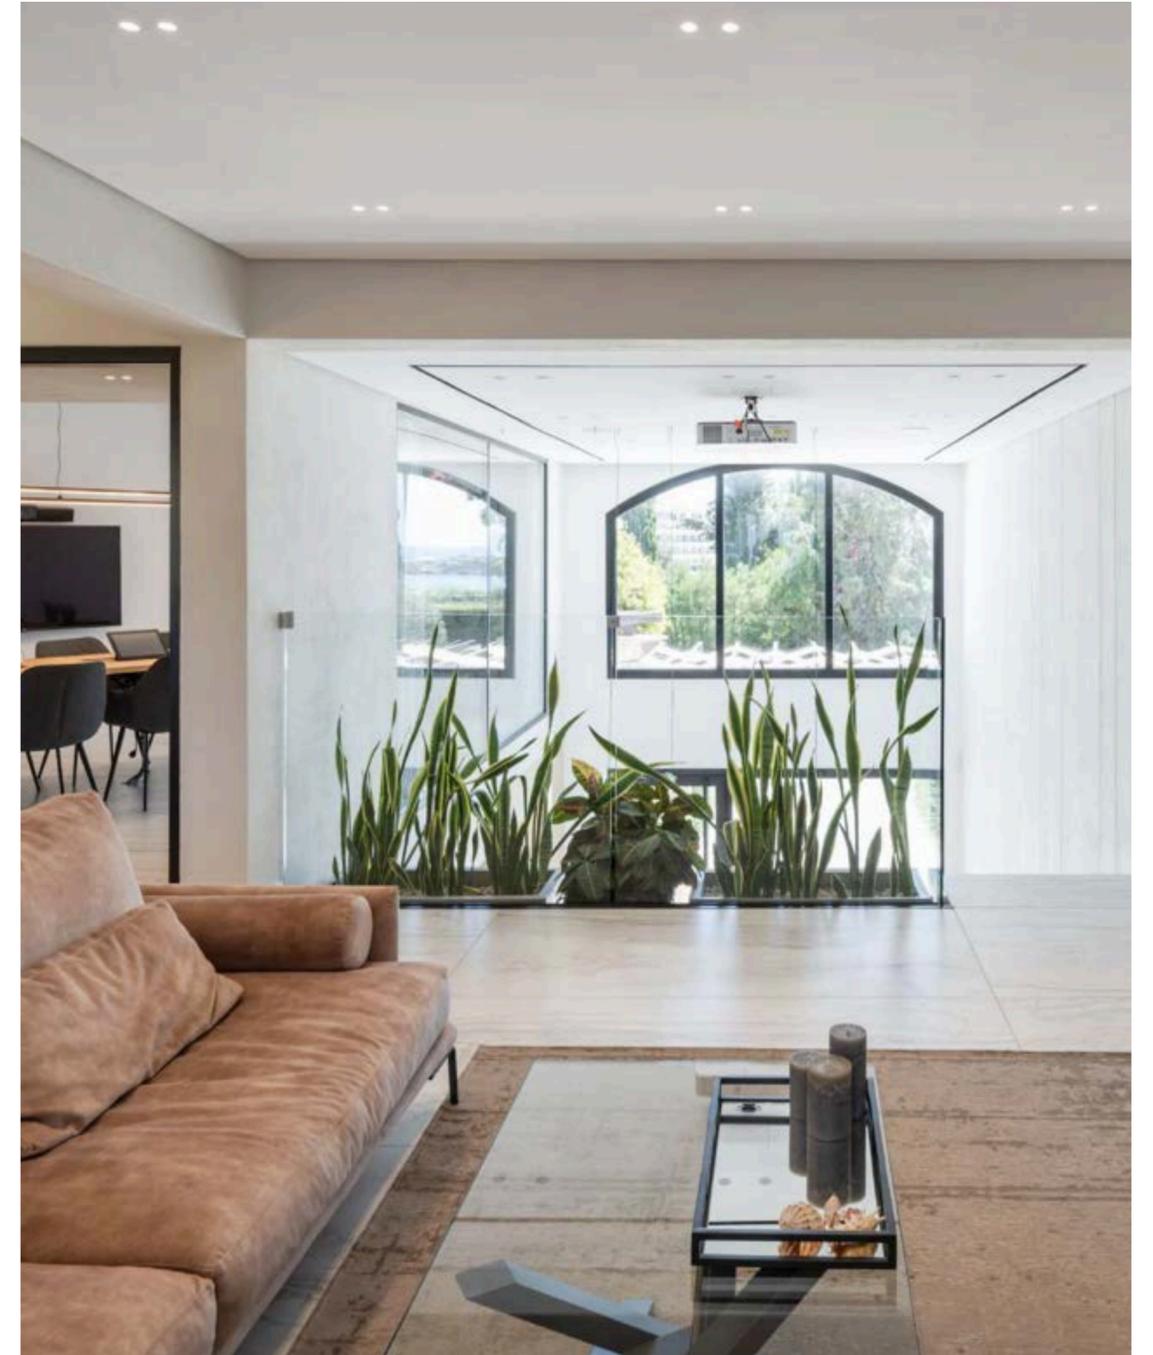

We've designed our lounge space to give you the perfect Mediterranean Sea experience. Start your day with a cup of aromatic coffee in a beautiful setting where comfort is always a priority. It's like stepping out of your villa and arriving at a place where everything is of high quality. You can relax or hold a meeting, all while enjoying your own area equipped with everything you need.

 Showers & Lockers

 Private meeting room

 Snacks & Beverages

After enjoying the sun at Coralia beach, head back to our lounge area, where you can take a shower, fix your makeup or relax with friends.

If you need to mix business with pleasure, you can use our conference hall or book a private room for a productive meeting.

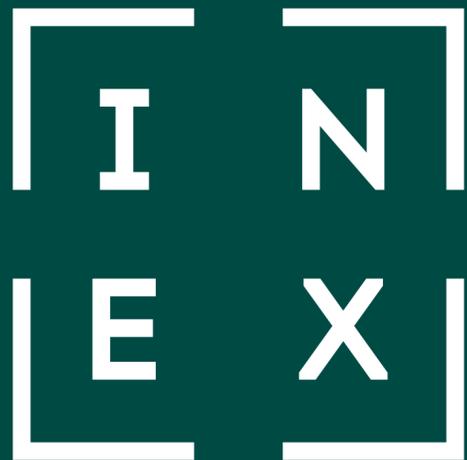

INTELLIGENT DEVELOPMENT

INEX is a full-scale developer that handles construction, architecture, design, engineering, as well as planning for residential and commercial high-end projects.

INEX buildings are known for their sustainable and smart features, designed to make life easier and more comfortable.

The company also provides maintenance and facility management services, ensuring smooth operations and quick problem-solving during a one-year warranty period free of charge.
